BRYAN W. WHITFIELD MEMORIAL HOSPITAL AUXILIARY CAROLYN S. (BETTY) MCCORMICK SCHOLARSHIP PROGRAM

The Bryan W. Whitfield Memorial Hospital Auxiliary wishes to encourage the active pursuit of education, particularly in healthcare related fields. To this end, the Auxiliary has developed the Carolyn S. (Betty) McCormick Scholarship Program to support and encourage the acquisition of education in the field of healthcare and to meet future human resources needs of the Tombigbee Healthcare Authority.

ELIGIBILITY

The Auxiliary may award up to \$1,500 annually in financial assistance to children or grandchildren of employees of the Tombigbee Healthcare Authority who wish to pursue education in the field of healthcare, without regard to race, color, creed, or national origin. Children and grandchildren of THA employees who apply for this scholarship, may not apply for any other Bryan Whitfield Memorial Hospital Auxiliary sponsored scholarship.

Any individual who is a graduating high school senior or above may apply for the Carolyn S. (Betty) McCormick Scholarship from the Auxiliary as long as their chosen field of study is within the healthcare professions. The applicant must provide proof of relationship to a THA employee. The applicant must possess a high school education or equivalent GED or other qualification relevant to the field of study applicable. The applicant must provide proof of residency in either of the following counties: Marengo, Sumter, Hale, Choctaw, Perry, Greene, and Clarke.

The Auxiliary reserves the right to deny, limit, or otherwise reject the application of any individual who, in the opinion of the Auxiliary Executive Committee, has failed to demonstrate acceptable academic performance in previous educational endeavors and meet all criteria, standards, and expectations relevant to the selection process. The Auxiliary reserves the right to require immediate complete refund of disbursed funds if, after receiving the scholarship, the applicant drops out of school or changes their field of study to a non-healthcare related field.

SELECTION OF SCHOOLS

The BWWMH Auxiliary recognizes the right of individuals to select the school that he/she wishes to attend. However, the BWWMH Auxiliary reserves the right to deny, limit, or otherwise reject applicants who wish to attend schools which are not accredited or which, in the experience of the Tombigbee Healthcare Authority, have been found to have high rates of failure on licensure examinations or a high rate of failure among students.

DISBURSEMENT OF FUNDS

The disbursement of funds for scholarship students shall be limited to tuition, books and lab fees. These shall be paid directly to the institution in which they are enrolled pursuant to receipt of an official itemized billing from that institution.
